United States of America

v.

Mario RUIZ-Lopez

Defendant(s)

Case No:

19MJ 2125

CRIMINAL COMPLAINT

I, the complainant in this case, state that the following is true to the best of my knowledge and belief. On or about the date of July 14, 2019 in the county of Dona Ana in the State and District of New Mexico, the defendant violated 8 U.S.C. §1326(a)(1),(2)(Re-Entry After Deport), an offense described as follows:

an alien, who had been previously arrested and deported from the United States and who had not received the consent of the appropriate authority of the United States to reapply for admission into the United States, was found in the United States, being willfully in the United States unlawfully

This criminal complaint is based on these facts:

On July 14, 2019, a United States Border Patrol Agent encountered the Defendant in Dona Ana County, New Mexico. When questioned as to his citizenship the Defendant admitted to being a citizen of Mexico without authorization to enter or remain in the United States. Record checks revealed that the Defendant had been previously deported to Mexico via El Paso, TX on or about June 20, 2019. There is no evidence that the Defendant received permission from the appropriate Authority to reapply for admission into the United States.
